GYA GREEK YACHTING ASSOCIATION

OPEN DAYS

18-21 May 2021

LIST OF ATTENDING YACHTS

21 May 2021 – AGIOS KOSMAS MARINA.

Step into the world of Greek yachting excellence, with the premiere of the Greek Yachting Association's Open Days. Immersive, exciting, and bringing together a network of international and regional brokers, this event will take place from the 18th to the 21st of May in the marinas of the Athens Riviera.

Following the success of the Virtual Charter Yacht Show, the Greek Yachting Association is delighted to present a new initiative, welcoming you back into the prestige of international yachting.

For the first time, we're dropping anchor in Athens, bringing with us a curated collection of motor yachts, sailing yachts and motor sailers. Browse and walk through our superb selection, connecting with brokers from Greece and overseas, and networking with key figures from the industry. With state of the art design, lavish interiors and world-class engineering, the Greek Yachting Association's fleet is a masterclass in contemporary maritime luxury.

- Admission into yachts will be permitted upon presentation of a negative self-test performed no more than 24 hours before arrival or on-site prior to boarding. Rapid tests and PCR tests should be performed no more than 48 - 72 hours before the visit.
- The wearing of masks is mandatory.
- **Visiting Hours:**14:30 - 20:30.

The following yachts represented by GYA members will attend the GYA Open Days event on Friday 21/05/2021 should they have no other commitments.
